

Colin Gilbert – MACostE

Colin has lived in Cranbrook with his wife Marie for over twenty years and prior to this lived in Staplehurst, having moved from Croydon, where he was brought up. Their four children and their grandchildren all live in Kent.

Colin has recently retired from full time work following a long career in the construction and engineering industry. Originally trained as a quantity survey and progressed in his career to project manager, contracts manager and commercial manager on a variety of major construction projects in the UK and Europe.

He now has some time to assist in the community in which he has lived in over the years and is keen to see that local people have a voice in what is going on around them.

Colin is particularly keen to see that the increase in the number of homes in Cranbrook meets the needs of all of the community.
