

Robin Beck-Profile

Robin has lived in the Parish since 1993, initially in Sissinghurst until 2006 when he moved to Cranbrook.

Since leaving school in Brighton where he was born, he has always been employed in the Corporate Restructuring and Refinancing sector and having commuted in the initial years, he formed his own consultancy business in 2003 and for the majority time he works from home.

He has always been involved with the community, having been a Governor at Sissinghurst Primary School, and Chairman at the Junior Football and Tennis Clubs.

Robin has always loved his sport, playing football (although unfortunately now retired!!) golf and tennis and watching rugby at the club normally with a pint!
