

Lee Hatcher

Lee grew up in the parish, attending Cranbrook Primary School and Angley School.

After a varied career he now works in Maidstone as a Software Developer.

Lee still lives in Cranbrook with his wife, Annie, and stepson Max.

When the Cranbrook and Sissinghurst Neighbourhood Development Plan Steering Committee was formed he and Annie joined as local residents, interested in what was happening and what could happen in the Parish. Taking part in this process, and meeting Parish Councillors, prompted him to join the Council when the chance arose early in 2019.

He is still part of the NDP Steering Committee, as well as sitting on the Parish Council Planning Committee and is a member (as parish councillor) of the Cranbrook Conservation Area Advisory Committee.

In his 'spare' time Lee is Props Master, Web Master and Secretary of Cranbrook Operatic and Dramatic Society. CODS celebrates its centenary in 2020!
