Biography

Hello fellow Cranbrookians

My family and I moved to Cranbrook in January 2021 and whilst I don't recommend moving during lockdown with a clingy 6-month old, I am extremely pleased we made the move. As soon as we came to visit Cranbrook, my husband and I instantly fell for its charms. The picturesque high street, the windmill (although missing its sails at that time), the friendly manner of everyone we spoke to... this was clearly a special place.

We haven't even lived here for 2 years, but I already feel like part of the community. My children go to the local primary school and nursery, I have made friends, joined the gym (on paper at least) and I know where sells the best cakes.

Cranbrook is facing a lot of changes over the coming years, and I wanted to be a part of that process. To ensure we maintain the aspects that make our town so special, whilst also helping to guide it into the future. To be a place my children will always be proud to call their home.
